

## YOST VISES

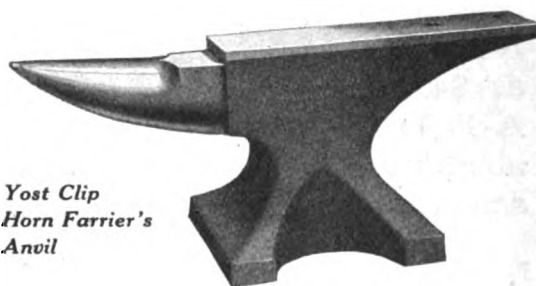

### Trial by Jury

The jury in this case is made up from the most critical class of workers in the world—the skilled mechanics—and the object up for judgment is the Yost Vise. The verdict is O. K. and goes back to the first Yost Vises put on the market.

## YOST ANVILS

YOST ANVILS rank equally high. Made from electric furnace steel, cast in one piece, uniformly heated and tempered. The catalog explains how in detail, shows the advantage of Yost methods of manufacture, lists a complete line of vises that are guaranteed for quality and service. Special purpose vises also. Write now for your Yost catalog.
